## Not just our word

43% of mobile app users said they were more likely to use a mobile app when push notifications were available.  
*Andrew Gazdecki, CEO @ Bizness Apps*

I am so pleased with our mobile app. We are more efficient in delivering content.  
*Paul Graham, Pastor @ BBC*

## How it works

### 1 SIGN UP

**48 hrs:** Get started quickly and easily with our risk-free, smart start, on-boarding process. Choose a layout, pick a plan, and cut 50% time & save 90% of the cost. We will create a ready-to-edit app for you.

### 2 SET UP\*

**As fast as you can:** With our “no app left behind” setup process, you will have access to our step by step guides, weekly Launchpad Webinars, members only Facebook group, email support and knowledge center.

### 3 SUBMIT

**15 biz days:** Once you are happy with your app, easily submit a publish request and we will take care of the paperwork, to get your app published to the Google Play and App Store. After successful launch, you will be part of our Success Club: tips, webinars, blogs and best practices to help you to maximize on your mobile ministry success.

\* For the optional “Help me” service, we will assist you in getting your app setup. You will need to start your risk-free trial and select that option on the checkout page.
